Asti

APPELLATION
DOCG

AREA
Asti, Piedmont

GRAPES
Moscato Bianco d'Asti

ALCOHOL LEVEL
7% vol.

BOTTLE SIZE
750 ml

VINIFICATION

The Moscato d'Asti juice coming from some of the best vineyards in the heart of the DOCG is selected, graded and the highest quality is destined to become Asti. The juice is stored in stainless steel pressure vessel where the fermentation will take place. The total grape sugar content in the juice will be partly transformed into alcohol and the balance remaining unfermented will impart to the finished product its natural sweetness.

COLOUR

Straw-yellow with bright gold reflections accompanied by a full and lively foam and a perlage of great finesse.

BOUQUET

The typical aromatic tones of the Moscato grapes are fully manifested in the wine's aroma, which is intense and extraordinarily appealing.

FLAVOUR

Sweet, balanced and not cloying, unusually fresh, richly fruity, superbly balanced and satisfyingly persistent.

SERVING TEMPERATURE

Best served cool, around 6° - 8° C.

FOOD MATCHES

It has always been a popular accompaniment for desserts. It matches perfectly with every type of pastry, from cakes and pies to sweet biscuits and cookies. This Asti makes an excellent beverage for social gathering and other moments of relaxation.
